Suggested Use:

These are a great way to get to know students. They can be used at the beginning of the year (English for level 1, Spanish for levels 2+). They can also be used at the end of the year for Spanish I. These make a great display to help students learn about each other!

You can set a minimum number of items/information for each section. Please see the completed example for what to include in each section.

If you find this helpful for your students, please let me know by leaving feedback on your [My Purchases](#) page on TpT.
